We the Staff of "LEST WE FORGET"  
have attempted to bring you an annual  
which you may be proud of, something  
which you may remember in future  
years. We present the 1954 edition of  
LEST WE FORGET.

THE STAFF

# *Dedication . . .*

Because of your genuine scholarship and your ability to stimulate students; because of your interest in school affairs and your understanding of student problems; because of your ready smile and friendly "hello"—

We the seniors of 1954 dedicate this annual to you, Dr. Kelly Thurman.

*Dr. Kelly Thurman*

Let me express appreciation to the Senior Class, the Annual Staff, and your sponsor for the contribution which you make to your college through the publication, "Lest We Forget". Your yearbook is one of the most effective means of keeping alive the traditions that are characteristic of your college. Through its pages you portray to the reader the facts that Union University is built upon the two-fold tradition of the Liberal Arts, undergirded with the Christian motivation; that social life at Union is replete with wholesome activities, attractive and refining; that the program of allied and extra-curricular activities is educational in its nature supplementing the basic academic program toward the development of the total personality.

In addition, each issue of the yearbook depicts the trend of particular interests of a particular era. In this you make your annual a connecting link of class with class, year with year, generation with generation. Strangely enough, as the years go by, you will read and re-read with growing interest the pages of "Lest We Forget", and with each reading you will experience a deepening affection for your Alma Mater, and a more profound appreciation for its contribution to your life through friendships formed, learning acquired, and ideals established.

My hearty affection and good wishes to each of you.

Sincerely yours,  
Warren F. Jones  
President

# Beta Tau Chapter of Alpha Tau Omega

Founded at Virginia Military Institute, Richmond, Virginia, September 11, 1865.

Colors: Sky Blue and Old Gold

Flower: White Tea Rose

The Brothers of the Maltese Cross have again in 1953-'54 paved the way in all areas of campus activities. In typical fashion the Taus have climaxed another year by combining forces to present to Union; leaders of the highest quality which excel in athletics, student government, and religious activities.

In the field of athletics, the Beta Tau boys were again the "pace setters", manning vital positions, traditional of the men of the Gold and Blue.

Kenneth Hawkins and Donald Deaton led the Bulldog Quarter as Captain and Co-Captain respectively. On the baseball track and tennis teams the A.T.O.'s again dominated play, showing their versatility and capability of the responsible positions held by them.

Leon Morris heads the Student Body as its President, with Tommy Smothers, Vice-President. Brother Carey Duncan showed true A.T.O. leadership in being elected to Who's Who in American Colleges and Universities. Editing Last We Forget we find Brother Jimmy Shearin. Feature honors laud Brother Morris as "Mr. Union" and Brother Hawkins as the "Most Popular Boy". Pledge Bill Noblett served as President of the freshman Class.

These honors, features, and activities combined with beautiful banquets, warm social events, a wonderful sweetheart, and a loving fraternity Mother, round out a year keynoted by success and highlighted by a close fellowship of the brothers of Alpha Tau Omega.

Union University's Sig Alphas rank 1953-'54 as a big year. The Sons of Minerva not only forged bonds of brotherhood with fraternity work but led in campus activities as well.

Outstanding scholarship gained the chapter its highest recognition of the year—the Dr. Edley H. Jones Award. This award was won in competition with six other chapters in Province Theta of SAE, which composes western Tennessee, Mississippi, and Louisiana.

Individual honors were plentiful for this year's group. James "Buster" Dismuke was president of the Senior Class; Bobby Joe Morris was Best All-Around Boy; Charles Dollar was president of the Shelbians; and Bill McKissack was president of the Mallory Math Club. Bobby Briggs was treasurer of the BSU Council; Charles Dollar was vice-president of the Rutledge History Club; Bobby Sims was treasurer of the Rutledge History Club and Business Manager of the **Cardinal and Cream**. Jim Hayes and Richard Penuel were members of the Nestor Club. In the realm of sports SAE's showed their versatility by participating in every major sport.

Social highlights were the Coronation Banquet and the crowning of Miss Barbara King as Queen; Founders' Day Banquet; Spring Splash at Montgomery Bell State Park; open house, and many informal or after-the-game get-togethers.

Charles Gay and Bobby Sims attended SAE national convention at Chicago. At Baton Rouge for province convention were Bill McKissack, Tom Helton, Jim Hayes, Bill Blankenship, Jimmy Rooks, and alumnus C. M. "Randy" Randolph, who was elected province Alumni Secretary. Bobby Sims and Bill Blankenship were at SAE Leadership Training School at Northwestern University, where Blankenship was one of eleven men from all parts of the United States to be initiated.

A polio paper drive for the March of Dimes; improvements on the chapter house; the annual Christmas Party for underprivileged children; and a white goat named Phi Alpha after the fraternity's motto, provided hard work and laughs to round out the 1953-'54 activities.

## *Upsilon of Chi Omega*

Founded at the University of Arkansas, Fayetteville, Arkansas, April 5, 1895

Colors: Cardinal and Straw

Flower: White Carnation

Upsilon has enjoyed a very successful year in all phases of campus life. Scholarship has been high and honors many. Both the Sweetheart of Alpha Tau Omega and Queen of Sigma Alpha Epsilon are Chi Omegas. The basketball queen and two of her maids along with the School Strawberry Festival Beauty and two of her maids also came from Upsilon. Six of our girls were selected for the Ten Most Beautiful Girls, two were among Who's Who in American Colleges and Universities, three were cheerleaders, and we had officers in the Senior Class, Y.W.A., Camera Club and Allegro Club.

Chi Omega officers for the year did a splendid job. They were: Paula Crosson, President; Mary Walker Shoaf, Vice-President; Flodell Appleton, Secretary; Emily Wieland, Treasurer; and Joan Carter, Pledge Mistress.

Some of our best social events included a combined sorority skating party, winter formal banquet, Fall and Eleusinas, Christmas Kindness Party, open house, all day picnic, and two big-little sister dinner parties.

One of our grandest accomplishments was the complete redecoration of the room.

Athletics

The 1953-1954 edition of the Union University Bulldogs landed two men on the combination All-VSAC Tournament and Regular Season team in Jim Byassee and Junior Daugherty, following the season in which they wound up in third place in the Conference standings with a four win and three lost record.

The Bulldogs drew Milligan in the first round of the VSAC Tournament held at Johnson City and edged them by a score of 64-60.

Disaster struck in the second round and the Union quint dropped a 67-53 verdict to East Tennessee State College. The Bulldogs took fourth place in the tournament.

For the tourney, Jim Byassee collected 41 points and Junior Daugherty notched 32. Both played outstanding ball.

During the regular season of 21 games, the Bulldogs won 9 games while dropping 12. Overall the Unionites scored 1695 points for an average of 80.71 per game. The opposition was held to 1694 points, one less than the Bulldogs, for an average of 80.67 points per game.

Playing his first year of ball at Union was little 5'5" Jackie Houk who hails from Senora, Kentucky. One of the most colorful men on the team, Houk led the quint in the scoring department with a total of 388 points for the year. His average was 18.5 points per game.

Jim Byassee, colorful 6'5" center of the Bulldogs, comes to Union from Blandville, Kentucky. He scored 279 points for the Union basketeers for an average of 13.3 points per game.

Next in the scoring column was Billy B. Smith with 243 points and an average of 11.6 points per game. He hails from Campbellsville, Kentucky. Smith attended Kentucky Junior College before coming to Union.

Junior Daugherty, a 6'3" freshman from Campbellsville, Kentucky, scored 235 points for an average of 11.2 points per game for the season. His ability helped the Bulldogs tremendously.

Playing plenty of good ball for the Union basketballers was 6'4" Donald Deaton who came to Union from Jackson High School. He scored 173 points for an 8.2 points per game average during the past season. His height was a big asset to the fast-breaking Bulldogs.

Scoring 162 points for an average of 11.2 points per game was Kenneth Hawkins who stands 5'7". Hawkins is a graduate of Selmer High School.

Johnny Rose, a freshman from Ripley, Tennessee, notched 101 points for the year. He stands at 5'9" and served as one of the sparkplugs of the Bulldog aggregation.

Eddie Truett from Jackson High School played a lot of good ball, particularly in the latter stages of the season. He stands at 6'3". Truett scored a total of 68 points.

Coming from Springfield, Tennessee was Bobby Joe Morris, a 6'5" boy. He scored 32 points for the year.

Other squad members included 6'2" Donald Coleman from Central City, Kentucky and 5'9" Sammy Lowry of Camden, Tennessee.

Coming to Union for the first time this year was Coach Dick Wehr. Coach Wehr came to Union from the West Liberty State College where he had coached for the past two seasons. During his final year at West Liberty, his team captured first place in its 14-team conference.

Prior to his coaching at West Liberty, Coach Wehr taught at Newark, New Jersey for one year. He played his college basketball with the Rice University Owls where he was named to the All-Southwest Conference cage team.

Later, while attending Denison University in Granville, Ohio, Wehr played one year of professional basketball with the Indianapolis Peps in 1948. He played two more years of pro ball with the Wheeling, Virginia, All-Americans. He then went into the coaching field.

A brief summary of the season will show that the Bulldogs got off to a good start as they trounced a tough Belmont team, 86-74, in the opener.

Then Memphis State downed the Union quint, 97-67, and a heartbreaking loss to Howard, 92-91, followed.

The Bulldogs, then visibly in a slump, lost two straight to Florence State, 71-62, and to Ole Miss, 118-82.

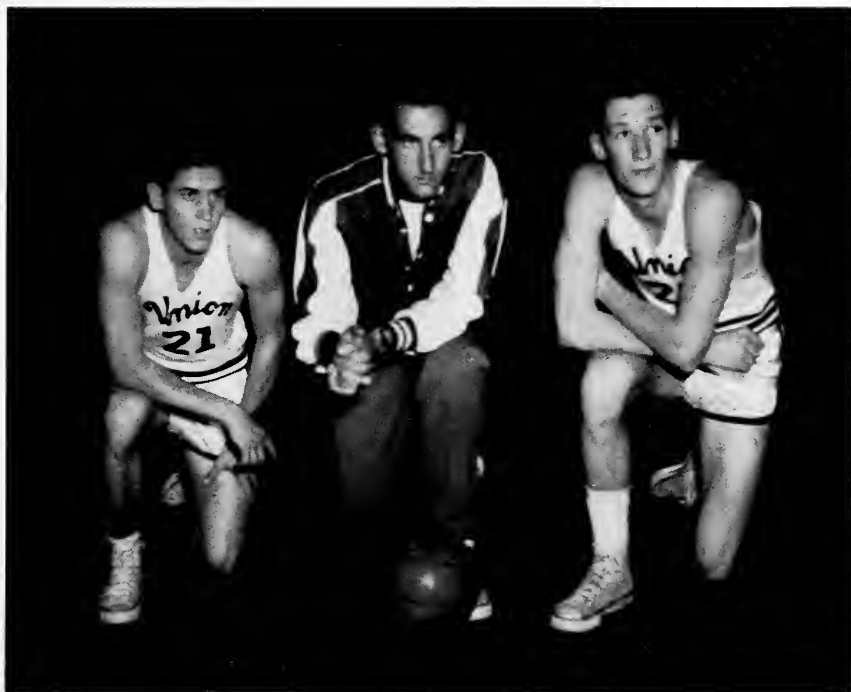

Southwestern was the next victim of the Union quint as they fell, 86-77. William Jewell stopped the Bulldogs, 84-87, in the last game before the Christmas holidays.

Union won five straight games following the vacation. In order, they topped Southwestern, 86-77, Bethel, 92-78, Florence State, 96-64, David Lipscomb, 80-56, and Milligan, 86-69.

Austin Peay, Delta State, Arkansas State, Belmont, Bethel, and Delta State again won successive victories over the Bulldogs.

Union then defeated Arkansas State, 92-89. In a very hard fought game, Austin Peay topped the Union quint, 79-72, after which the Bulldogs came back to top David Lipscomb, 75-65, in the season's final.

The season's totals showed that the Bulldogs hit 42 percent of their field goal attempts and 65 percent of their free throw tries.
